Private Lessons

A private lesson is one on one instruction with a professional coach that supplements the skater's group time provided by the club. This is an optional service that some skaters use and that is open to all Starskaters. These lessons are an additional cost paid directly to the coach generally at the end of each month. Each coach has their own schedule and rates.

If you are interested in hiring a coach, either approach the coach your skater would like lessons from or ask the club for assistance.
